

POETRY UNIT

ESL Poem Translation

Present in class Wednesday, Jan. 22nd

- 1. Find a poem that you love in your own language.*
- 2. Translate that poem to English.*

The words may not be an exact translation but the meaning and the feeling should still be there.

You will share both poems with the class.

Coming Up:

- Over the course of the next 4 weeks, read 10-20 poems, in English (finding a poetry book will likely be easiest).
- You will choose a poem that “speaks” to you.

Upcoming, we will provide you with annotation sheets where you will make notes on your poem, for example, finding themes, imagery, etc.
